APPROACHES HOUSE

1. EXT. THE BEAVERS' HOUSE - DAY

ESTABLISH the Beaver home, on a school morning. ELINOR skips up to front door, and <KNOCKS>. SALLY BEAVER answers, wrapped in a blanket and looking tired and red-nosed.

1 CUT CLOSER TO HOUSE
ELINOR (CHIPPER) 1
Hi, Sally! Ready to walk to school?

2 SALLY 2
(could be talking with a
stuffed up nose if it
works)
Hi Elinor. I'm not going to school
today. I've got the sniffles. Ah-
CHOO!

Sally sneezes into her elbow, as she should.

3 SALLY (CONT'D) 3
Mom says I have to stay home so no
one catches my germs.

She raises a tissue for a <TRUMPET-HONK> nose blow.

4 ELINOR (DISMAYED) 4
Aww. Too bad you're feeling
sniffly!

5 SALLY 5
Oh! We're supposed to write our
song for Be Healthy Day tomorrow!

6 ELINOR 6
Don't worry about that. You rest so
you can get better.

7 SALLY 7
Thanks Elinor, I will. See you
soon. Ah...ah... ACHOO!

Sally winds up to sneeze again, clenching her beaver tail more with every 'ah'. She manages to close the door right before she sneezes again, hard enough to <RATTLE> the door!

8 ELINOR (CALLS OS) 8
Bye, Sally. Get well soon!

As a dismayed Elinor sets off to school alone, DISSOLVE TO:

She's got the sniffles.

32 OLIVE 32
Yup! That's because they're really
tiny. They're so small, we can only
see them with a microscope.

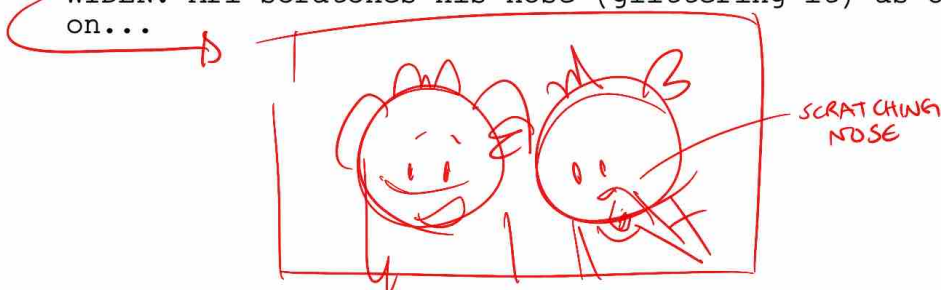

33 ELINOR 33
That's SO interesting!
(then, puzzled)
But if Sally has *those* inside her
body, how could she give them to
us?
